

# JJCAA SUMMER 2023 Newsletter

## PRESIDENT'S REPORT

Patrick Asher

July 2023

Hello Everyone,

I hope each of you is well!!

It has been a busy year. I did attend the Annual Meeting in Springfield with my wife Sharon on June 14th and 15th, and I will attend the yearly meeting at ISU on the 25th of November.

JJCAA has been working diligently to increase its membership! Over the past few years, the Board has been involved in a letter writing campaign at our Board meetings. In fact, letter writing has become a steady diet at EACH meeting. The results were positive and have been positive. One thing that we discovered is that emails do not work; personal letters do!! Since 2019, we have gained 133 new members. We now have 324 total members as opposed to 260 a few years ago! We need to keep in mind that attrition is a factor, primarily for those who have passed away. The key here is that the credit belongs to the Board of JJCAA!!!! We still have a way to go, but we are getting there!! A copy is found on Page 2.

In addition, when an individual does join, I send that person a letter of gratitude. That letter is found on p.3.

SUAA's Membership Committee consists of four (4) members, two (2) from the community colleges and two (2) from the four (4) year schools and universities. I volunteered to serve. As well, I felt honored to serve as co-chair this year and did announce the new officers at our Annual Meeting.

As well, at our Annual Meeting, Linda Brookhart, Executive Director, recognized JJCAA for its work in increasing memberships. Of the 55 Chapters, we gained the greatest number of members in terms of percentages!!!!!! Subsequent to that announcement, the two (2) delegates from the University of *Ill.* *Circle* approached me about our success. They then asked if I would participate in a two (2) hour Zoom meeting with their Board. I shared our strategies, and they were very appreciative.

N.B. Our Annual Picnic is on September 20th at 4pm at Inwood Park!! Chicken will be served; bring a dish to pass!! Hope to see you then!!

# JOLIET JUNIOR COLLEGE ANNUITANTS' ASSOCIATION

A CHAPTER OF STATE UNIVERSITIES' ANNUITANTS ASSOCIATION

Dear

We are asking that you join the organization that works hard to protect our pensions and benefits, namely the Joliet Jr. College Annuitants' Association (JJCAA). This organization works for retirees as well as those of you who will retire someday. It is part of the State Universities Annuitants' Association (SUAA) of which there are 55 Chapters.

In 2014, members of the General Assembly wrote Senate Bill 1, which was a threat to all of us!! While addressing the State's financial problems, some provisions from that Bill targeted our pensions, namely SURS, along with the other 4 pension systems.

The sponsors of that Bill also created the concept of "police powers" that would have enabled the General Assembly to ignore or by-pass the Constitution of the State of Illinois and the State's obligations to honor our pensions. Ultimately, our pensions became one of the targets in the General Assembly's efforts to fix the State's financial woes. sponsors to court, all the way to the Illinois Supreme Court. That struggle lasted for more than a year. The Supreme Court ruled that the th

Our organization took the en existing Senate Bill 1 was unconstitutional. In fact, the Supreme Court ruled that the General Assembly had every obligation to live by the Constitution and our pensions, both Tier 1 and Tier 2. In short, the State Universities Annuitants' Association won!

It cost SUAA nearly 1 million dollars in legal fees to defeat that existing Bill. That money came from us, those of us active in JJCAA and the other 54 chapters of SUAA. We members all chipped in. Now, we ask that you help as well by joining our organization.

Finally, funding is still an issue!!

Joining is simple. Your \$1.85 per pay check will make it happen. Please see Option 1 in the Deduction Form and send to Director Judy Connelly in Human Resources.

The 324 active members in JJCAA await your response!

Respectfully,

Patrick Asher, Ted Thompson, JoAn Ayorinde, Jim Cooper, Jerry Lewis, Linda Aguilar, Nicki Blowers, Sue Malmberg, Mary Ann Oetter, Scott Olsen, Karin Randolph, Jerry Zebrowski

# JOLIET JUNIOR COLLEGE ANNUITANTS' ASSOCIATION

A CHAPTER OF THE STATE UNIVERSITIES' ANNUITANTS ASSOCIATION

The Board of Joliet Jr. College Annuitants' Association and I want to thank you very much for joining our organization!

We spend a goodly amount of time working to protect our pensions and benefits, both for retirees and those who will retire someday. Both our pensions and benefits have been under attack for a very long time; some would argue that it goes back as far as 1917!!

Finally, and most importantly, our pensions and benefits are currently funded at only 55%.

I will add your name to the list of new members for 2023!

You may also want to visit two websites: JJCAA and SUAA.

Hope you are well and enjoying JJC!

In gratitude.

## SUAA Annual Meeting

At our Annual Meeting in Springfield, all of the speakers were excellent!

One speaker of note was Jim Reed, the Executive Director of the Illinois Community College Board of Trustees. He addressed what the advantages are for community colleges enrollees. One is the cost, noting that tuition is significantly less, and living costs are as well. He noted that, on average, a student saves \$30,000 during those two (2) years!! A second issue was very interesting: obtaining a Bachelor's degree! He cited that 25 States now offer that degree at 2 year colleges. His hope is that more States will join in this endeavor!

The keynote speaker was Andy Manar, the Illinois Deputy Governor for Budget and Economy. He addressed the many accomplishments of Governor Pritzker. Here is a partial list of his financial achievements.

1. Four years ago, the State was 17 billion in debt.
  2. During the last two years, the State has paid off 10 billion.
  3. There have been eight upgrades from Moody.
  4. There has been 285 million paid into the Pension System for higher education this year alone.
- The Deputy Governor was a very dynamic presenter, and the audience appreciated each minute!!!

### A Tribute:

Ted Thompson has been teaching at JJC for 50 years and has done so with dedication and distinction! He retired in 2022.

In the fall of 1967, he began teaching in the English Department when JJC shared space with Joliet Central High School. He participated in numerous department activities, taught Rhetoric and Literature classes, and developed a Film class. He was instrumental in the literary publication, "The Contemporary," and oftentimes was a contributor!

Further, he was very active in the faculty union, serving on the FIRST negotiating team that brought the FIRST contract to our faculty. Many long hours were devoted to that feat!! He also served as Vice-President of the union and worked on the Grievance Committee, among other tasks!

He was a devoted partner in JJC's semester long Critical Thinking seminar. Many lively sessions developed with him.

Finally, he has been very active as a Board Member in JJCAA for 20 plus years, both as Vice-President and as the representative to SUAAAction, SUAA's political arm!!

To Ted who has accomplished this much in 50 years, we congratulate him!!!

Pat

## WELCOME NEW MEMBERS TO JJCAA/SUAA

**SUAA's MEMBERSHIP IS ALWAYS AN ISSUE FOR DISCUSSION AT OUR STATE MEETINGS. THE LEADERS AT SUAA ARE VERY MUCH CONCERNED. FOR EXAMPLE, IN 2016, OUR MEMBERSHIP WAS 16,500. TODAY, IT IS AT 12,900. PROBABLY, THE BIGGEST CONCERN IS THE OBVIOUS FINANCIAL RESTRAINTS IT POSES ON THE ASSOCIATION. GIVEN THE LEGAL FEES OF NEARLY 1 MILLION DOLLARS SPENT BY SUAA IN DEFEATING SENATE BILL 1 IN 2014, OUR CONCERN SHOULD SPEAK FOR ITSELF!!!**

The Officers and Delegates of Joliet Junior College Annuitants' Association are grateful to you for joining the association. We will continue to work hard to protect your pensions, health insurance, and other benefits. JJCAA's current membership is at about 320 since 2019. We have gained some 120 new members since then.

**JOLIET JUNIOR COLLEGE ANNUITANTS' ASSOCIATION**  
**A CHAPTER OF STATE UNIVERSITIES ANNUITANTS' ASSOCIATION**

The **ONLY** organization in Illinois that works to protect our pensions and benefits, **NOW AND IN THE FUTURE**, is the State Universities Annuity Association (SUAA) of which the Joliet Junior College Annuity Association (JJCAA) is one of fifty-six (56) chapter members of SUAA.

SUAA works to hold the General Assembly accountable for its obligations to us, both Tier 1 and Tier II.

Specifically, in 2014, SUAA spent nearly 1 MILLION DOLLARS to defeat Senate Bill 1. This Bill would have had catastrophic effects on our pensions and benefits!!!! The sponsors of that Bill wanted to by-pass or ignore the Constitution to solve the State's financial problems at our cost! We members all chipped in to pay that amount. Now we ask that you get involved and join JJCAA.

The cost is minimal, just \$ 1.85 per pay period!!!!

Option #1— A \$ 1.85 FROM YOUR PAYROLL FOR EACH PAY PERIOD (26 PAY).

Send directly to Director Judy Connelly in Human Resources.

See the attached Form

The 324 active members in JJCAA await your response! Thank You.

Patrick Asher,  
President, JJCAA

## JOIN JJCAA /SUAA

Is your future pension, future health care, and the resistance against negative legislation worth \$48.00 a year? Then join JJCAA/SUAA. Our pensions are, or will be, our first or second most significant financial asset. Your spouse can also join and make this a team effort for an additional \$48.00 annually. Current employees can write a \$48.00 check or use JJC payroll deduction. Use the attached membership form and make it a team effort. Thank you.

Is your spouse a member of SUAA/JJCAA? Is the protection of your pension and health care benefits worth \$84.00 a year, the cost of two SUAA/JJCAA memberships? This is less than the price of two nice evenings "out on the town."

Please seriously consider having your spouse join SUAA/JJCAA. Many couples have chosen to invest via two memberships. Please join the ranks of those who understand and appreciate a greater investment in our pensions and health care benefits.
